

HOLGER KRONIMUS

Vice President, Europe

General Manager, Engineered Materials Europe

Holger Kronimus is vice president, Europe, and general manager, Specialty Engineered Materials Europe, of Avient Corporation, a premier provider of specialized and sustainable material solutions and services. Mr. Kronimus joined Avient in March 1999, and in addition to leading the company's engineered materials business in Europe and India, also serves as Avient's legal representative in the region, responsible for building and maintaining relationships with local governments and associations.

In previous roles at Avient, Mr. Kronimus served as international controller and finance director as well as other positions of financial, commercial and plant management in Avient's Color, Additives & Ink business unit. Prior to Avient, he worked in financial and commercial roles in Elekluft Elektronik and Docon Unternehmensberatung in Germany.

Mr. Kronimus earned a bachelors's degree in Business Administration and Computer Science from University of Cologne in Cologne and a master's degree in Global Management from Europäische Wirtschaftsakademie in Berlin.
